17 sampler	inserted at FOH	via AUX send
18 FX 1	"	
19 FX 2	"	
20 FX 3	"	

stage size minimum 4x6 m

The musicians always set up in **this position**. If the piano have to be moved due to festival change overs check times and other difficulties in advance, thank you. Piano has to be tuned before soundcheck and show.

We need at least 1 hour of soundcheck from the point anything is set up.

**mixing console** -> any professional grade digital console with at least 24 inputs, 8 AUX sends and 4 FX engines. Yamaha CL, Soundcraft Vi series preferred.

**monitoring** -> 3 professional grade monitor wedges with 31 band EQs inserted

**outboard & fx** -> 2 reverb engines, 1 multi effect with tap delay, 2 compressors, 2 noise gates (only if mixing console does not provide)

## Backline:

- ☒ High quality grand piano (Steinway, Bösendorfer) tuned to A-442 Hz on the day of the performance with adjustable piano seat
- ☒ 3/4 Kontrabass with adjustable Bridge with David Gage Realist Pickup
- ☒ high quality Bassbox 4x10" (Glockenklang Ampeg Mark Bass)
- ☒ high quality Bassamp (Glockenklang Ampeg Mark Bass)
- ☒ Drum Set

Preferred brand: TAMA starclassic

If not available: All good quality drum brands (DW, Pearl, Yamaha....)

1 20' Bassdrum with resonant head and hole in front for microphone. If not available 22'

1 10' Snaredrum (if not available, please contact us, maybe we can bring it, this is VERY IMPORTANT!!!!!!)

1 Floortom (14' or 16') as a Racktom or with feet....

1 HiHat machine (good quality, adjustable)

1 Bassdrumpedal (good quality, adjustable)

1 heavy, adjustable good quality Drumthrone (TAMA 1st chair or similar)

1 Snare-Stand

3 Cymbal Boom Stands

2 regular or Boom Cymbalstands

1 Drumrug

THERE ARE NO RACKTOMS NEEDED!!!!!!

PLEASE HAVE DECENT HEADS ON THE DRUMS, THANK YOU!!!!!!

Gerwin Eisenhower will bring his own cymbals and an extra 8' Snare, to be mounted on a cymbal stand.

**X**
